#### Knitting instructions:

The sweater is knit bottom-up. Start by knitting the body and both sleeves up to the yoke. The underarm stitches of the body and the sleeves are transferred to pieces of scrap yarn or stitch holders and the remaining stitches of the body and the sleeves are combined on a circular knitting needle to form the yoke which is shaped by simple decreases until the neckline stitches are cast off.

The underarm stitches on the body and the sleeves are grafted together by the Kitchener stitch.

#### Body:

With a 5.0 mm / 8 US circular needle cast on 156 sts. in color 1400 camel. Join in a circle and work rib \*k1, p1\* for 4 cm / 1.6". In the last round increase by 4 sts, evenly spaced, ( 160 sts.)

Change to a 6.0 mm / 10 US circular needle and knit the body pattern. Continue until the body measures 38 cm / 15.0" from the cast on row. Do not knitt the last 4 sts of the last round.

Set aside and knit the sleeves.

#### Sleeves:

With a 5.0 mm / 8 US cast on 39 sts. in color nr. 1400 camel using double pointed knitting needles. Join in a circle and work 5 cm / 2.0" in rib k1, p1. Change to 6.0 mm / 10 US needles. Knit the sleeves pattern in st. stand increase 1 sts evenly spaced in the first pattern row (40 sts). In the 11th row increase 1 sts after the first stitch in the row and 1 stitch before the last stitch in the same row. Repeat increases 8 times in every 11th row. (increases in total > 56 sts)

Continue without further shaping until the sleeve measure 47 cm / 18.5" from the cast on edge.

Place half of 8 sts on either side of the underarm centre on a piece of scrap yarn or a stitch holder. Set aside and knit the second sleeve in the same way.

#### Yoke:

Join body and sleeves as follows: With a 6.0 mm / 10 US circular needle using 1400 camel, place the last 4 sts and the first 4 sts of body on a stitch holder for the left underarm opening. Knit across the first (left) sleeve. Knit 72 sts from the body to form the front of the sweater. Place next 8 sts of the body on a stitch holder to form the underarm opening for the right hand sleeve. Knit across the second sleeve. Knit the remaining 72 sts of the body. Knit the yoke pattern and the decreases according to the Yoke knitting chart. Change to a shorter circular needle when necessary. When chart has been completed => 80 sts, change to 5.0 mm / 8 US needle, using 1400 camel. Knit 1 round decreasing 9 sts evenly spaced => 71 sts. Work \*k1, p1\* rib for 7 cm / 2.8". Bind off loosely.

#### Finishing

Graft the underarm stitches of the body and the sleeves together. Weave in loose ends. Fold the neckband in half to the inside and slipstitch in place. Rinse the sweater by hand in lukewarm water and lay flat to dry in the right
